

GIMC SIMAI Young 2026

Gruppo Italiano di Meccanica Computazionale (GIMC) Società Italiana di Matematica Applicata e Industriale (SIMAI) 3rd joint workshop for Young Researchers

Pisa, Italy, 3-5 June 2026

Aims and scope

GIMC SIMAI Young 2026 is the 3rd workshop for Young Researchers jointly organised by the Gruppo Italiano di Meccanica Computazionale (GIMC) and Società Italiana di Matematica Applicata e Industriale (SIMAI). The workshop in Pisa is organised in the wake of the previous editions held in Pavia (29–30 September 2022) and Naples (10–12 July 2024).

GIMC SIMAI Young 2026 is specifically addressed to young researchers (aged \leq 35) with an inclusive approach and respect for gender equality. The workshop aims at fostering interaction and promoting collaboration among participants active in both Computational Mechanics and Applied Mathematics with emphasis on interdisciplinary topics.

Programme

The scientific programme includes five plenary lectures (two delivered by invited senior scientists and three by the winners of the GIMC and SIMAI best PhD thesis awards), besides parallel thematic sessions organised in minisymposia and a poster session.

Invited senior speakers

Prof. Luca Heltai University of Pisa, Italy

Prof. Anna Pandolfi Polytechnic University of Milan, Italy

Registration

A registration fee is requested for participation. Further details are available on the website.

Venue

The workshop will be held at the University of Pisa. The exact venue will be announced later.

Accommodation

Some rooms are available at the Residence "Le Benedettine" (https://it.residence.unipi.it/). Interested participants are invited to contact the Residence by email (info@residence.unipi.it) stating that they will attend **GIMC SIMAI Young 2026** (code: Young 2026).

Important dates

31 December 2025 Deadline for the proposal of minisymposia

12 January 2026 Call for abstracts opening Abstract submission deadline

15 March 2026 Abstract acceptance

31 March 2026 Early-bird registration + Room booking at "Le Benedettine"

3–5 June 2026 Workshop

30 September 2026 Submission of proceedings papers

Funding

Financial support is gratefully acknowledged from the European Research Council (ERC), StG DANTE GA 101115741 (PI Giovanni Stabile), and the Istituto Nazionale di Alta Matematica "Francesco Severi" – Gruppo Nazionale di Calcolo Scientifico (INDAM – GNCS).
