

# GIMC SIMAI Young 2026

Gruppo Italiano di Meccanica Computazionale (GIMC)  
Società Italiana di Matematica Applicata e Industriale (SIMAI)  
3<sup>rd</sup> joint workshop for Young Researchers  
Pisa, Italy, 3–5 June 2026

## Aims and scope

**GIMC SIMAI Young 2026** is the 3<sup>rd</sup> workshop for Young Researchers jointly organised by the Gruppo Italiano di Meccanica Computazionale (GIMC) and Società Italiana di Matematica Applicata e Industriale (SIMAI). The workshop in Pisa is organised in the wake of the previous editions held in Pavia (29–30 September 2022) and Naples (10–12 July 2024).

**GIMC SIMAI Young 2026** is specifically addressed to young researchers (aged  $\leq 35$ ) with an inclusive approach and respect for gender equality. The workshop aims at fostering interaction and promoting collaboration among participants active in both Computational Mechanics and Applied Mathematics with emphasis on interdisciplinary topics.

## Programme

The scientific programme includes five plenary lectures (two delivered by invited senior scientists and three by the winners of the GIMC and SIMAI best PhD thesis awards), besides parallel thematic sessions organised in minisymposia and a poster session.

## Invited senior speakers

**Prof. Luca Heltai** University of Pisa, Italy  
**Prof. Anna Pandolfi** Polytechnic University of Milan, Italy

## Registration

A registration fee is requested for participation. Further details are available on the website.

## Venue

The workshop will be held at the University of Pisa, Conference Center "Le Benedettine".

## Accommodation

Some rooms are available at the Residence "Le Benedettine" (<https://it.residence.unipi.it/>). Interested participants are invited to contact the Residence by email ([info@residence.unipi.it](mailto:info@residence.unipi.it)) stating that they will attend **GIMC SIMAI Young 2026** (code: Young 2026).

## Important dates

<b>31 December 2025</b>	Deadline for the proposal of minisymposia
<b>12 January 2026</b>	Call for abstracts opening
<b>28 February 2026</b>	Abstract submission deadline
<b>15 March 2026</b>	Abstract acceptance
<b>31 March 2026</b>	Early-bird registration + Room booking at "Le Benedettine"
<b>3–5 June 2026</b>	Workshop
<b>30 September 2026</b>	Submission of proceedings papers

## Funding

Financial support is gratefully acknowledged from Associazione Italiana di Meccanica Teorica e Applicata (**AIMETA**), Istituto Nazionale di Alta Matematica "Francesco Severi" – Gruppo Nazionale di Calcolo Scientifico (**INDAM – GNCS**), and European Research Council (**ERC**).

## Chairpersons

**Cecilia Pagliantini**  
University of Pisa  
**Giovanni Stabile**  
Sant'Anna School of Advanced Studies, Pisa  
**Paolo S. Valvo**  
University of Pisa  
**Milo Viviani**  
Scuola Normale Superiore, Pisa

## GIMC Advisory board

**Giovanni Garcea** (President)  
University of Calabria  
**Francesco Marmo**  
University of Naples "Federico II"  
**Michele Marino**  
University of Rome "Tor Vergata"

## SIMAI Advisory board

**Gianluigi Rozza** (President)  
International School for Advanced Studies, Trieste  
**Stefania Bellavia**  
University of Florence  
**Dajana Conte**  
University of Salerno  
**Marco Verani**  
Polytechnic University of Milan

## Organising Committee

**Gennaro Calandriello**  
Sant'Anna School of Advanced Studies, Pisa  
**Paolo Fiscaro**  
University of Pisa  
**Lucia Lottici**  
University of Pisa  
**Nemo Malhomme**  
Sant'Anna School of Advanced Studies, Pisa  
**Mario Milazzo**  
University of Pisa  
**Niccolò Picchiarelli**  
Sant'Anna School of Advanced Studies, Pisa  
**Marco Picchi Scardaoni**  
University of Pisa  
**Pietro Tavazzi**  
Sant'Anna School of Advanced Studies, Pisa
