Matrix Equations and Tensor Techniques IX (METTIX)

Contribution ID: 23 Type: Extended abstract

Decoupling Dominant Z-eigenvectors of Tensor Kronecker Products

Friday, 10 September 2021 17:10 (20 minutes)

Primary authors: COLLEY, Charles (Purdue University); Dr GLEICH, David (Purdue University); Dr NASSAR,

Huda (Relational AI)

Presenter: COLLEY, Charles (Purdue University)

Session Classification: Talks
