

Contribution ID: 31

Type: **Extended abstract**

On Newton Method for the Minimal Positive Solution of a System of Multi-Variable Nonlinear Matrix Equations

Friday, September 10, 2021 10:25 AM (20 minutes)

Primary author: KIM, Taehyeong

Co-author: Prof. KIM, Hyun-Min (Department of Mathematics, Pusan National University)

Presenter: KIM, Taehyeong

Session Classification: Talks
